

## IN MEMORIAM

**Dr. Stefan Andonović (1991 – 2021)**

Dr. Stefan Andonović, secretary of the first Regional Law Review Conference and proceedings, our dear colleague at the Institute of Comparative Law, passed away this year at the age of 30. With his efforts, Stefan helped RLR grow from an idea into an international event. We will miss his energy, dedication and professionalism. He will always be a part of our team, remembered for his kindness, selflessness and optimism. We will try to continue to see the world through his eyes.
